2026 RunWalk for Babies

Safe Haven Awareness Month-April

The need for support for parents has never been greater. For over 20 years, the National Safe Haven Alliance (NSHA), a 501(c)3 nonprofit, has been providing direct, lifesaving support to parents and newborns across the U.S. through education, outreach, and a 24/7 crisis hotline.

April is Safe Haven Awareness Month and Child Abuse Prevention Month, and NSHA invites your organization to partner with us as a sponsor of our annual Run/Walk for Babies—a month-long, national event that mobilizes individuals and communities to raise awareness of Safe Haven laws and support for parents and babies during their most vulnerable moments. As a corporate sponsor, your organization will play a vital role in helping prevent infant abandonment, saving newborn lives, and strengthening families. Sponsors receive meaningful brand recognition throughout April, including logo placement and acknowledgment across NSHA's social media platforms, website, and event t-shirt, demonstrating your company's commitment to community impact, family support, and child welfare.

Partner with NSHA to make a difference this April—help save babies, support parents in need, and align your brand with a trusted national nonprofit advancing compassion, safety, and hope.
