*THESE ARE SERVICES THAT NSHA PROVIDES, NOT THE STATE OF VIRGINIA, NOR ARE THESE PART OR PROVISION OF THE VIRGINIA SAFE HAVEN LAW

VIRGINIA SAFE HAVEN LAW

In Virginia, the Safe Haven law allows a parent to safely surrender their unharmed infant who is 30 days old or younger, to a staff member at a designated Safe Haven location: a hospital that provides 24-hour emergency services, an attended Emergency Medical Services (EMS) agency that employs emergency medical personnel such as some fire stations or rescue squads, or a newborn safety device located at and operated by such hospital or emergency medical services agency.
