

PROJECT ADOPT A SAFE HAVEN

Why? National Safe Haven Alliance has developed the Project Adopt a Safe Haven so the community may become actively involved in preventing infant abandonment through awareness and education.

Who? Any corporation, business, family, or individual can become a sponsor and adopt a local Safe Haven facility in their community or in any state.

What? By becoming a sponsor, there will be a direct impact by reaching an individual Safe Haven provider and directly promoting adoption and Safe Haven efforts.

Where? This is a national campaign!

When? This program will be implemented starting November 1st. This is an ongoing project for NSHA.

How? Anyone can adopt a location. Packages will be tiered according to donation amount.

Hope Sponsor/\$250 to adopt your local hospital

Includes signs for public entrances, basic provider education, and newborn care package/ Sponsor receives NSHA website and social media recognition, Site Sponsor certificate, picture of sign, and car decal.

Brave Sponsor/\$100 to adopt local fire/police station

Includes 1 sign for station, decals for all apparatus at station, basic provider education, and newborn care package/Sponsor receives NSHA website and social media recognition, Site Sponsor certificate, picture of sign, and car decal.

Believe Sponsor/\$50 to adopt the Hotline

Sponsor will receive website and social media recognition, Hotline Sponsor certificate, and Safe Haven logo car decal.

For more information, contact Heather Burner at hburner@nationalsafehavenalliance.org

The sponsor can choose the location or NSHA can match sponsor to a location. A hospital, fire station, or police station is "adopted" and receives signage, basic provider education, and newborn care package (diaper, onesie, and receiving blanket).
